**AMENDMENT SUBMITTED CONCURRENTLY WITH REQUEST FOR CONTINUED
EXAMINATION (RCE)**

This Amendment is submitted concurrently with an RCE and in response to a final office action in the above case dated March 18, 2009 (“FOA”), in which the Examiner rejected certain claims as indefinite (35 U.S.C. §112, par. 2) and rejected all pending claims as obvious (35 U.S.C. §103) over cited art. Applicants held a phone interview with the Examiner on May 28, 2009 discussing amendments and arguments, which the Examiner indicated would advance prosecution. Applicants submit the discussed amendments and arguments herein. Applicants further add claims 47-62 including the requirements of the pending claims in server and digital storage medium forms. Applicants traverse the rejections and submit that all pending claims 1, 2, 16, 17, 39, 40, and 44-62 are patentable over the cited art and in condition for allowance for the reasons discussed herein.

Amendments to the Claims are reflected in the listing of claims which begins on page 2.

Remarks/Arguments begin on page 8.
